1. **Start here** on Day 1 of Online Learning
2. Your **To Do** List of all upcoming assignments in this class
3. **Modules** are where all course content is stored. Each Module is similar to a “Chapter” or “Unit” in a textbook.

The screenshot shows a Canvas LMS interface. On the left is a dark green navigation sidebar with icons and labels: Account, Dashboard (circled in red with a '6'), Courses, Calendar (circled in red with a '5'), Inbox, and Help. The 'Conferences' link in the main navigation menu is circled in red with a '4'. The main content area displays the course title 'IMP Math I - Newton' and 'Math 1 - Period 4' with a 'Bears' logo. Below this, teacher information for Danica Newton is listed, including email, phone, and classroom details. A 'Start Here - Course Welcome' link is at the bottom. On the right, there are three buttons: 'View Course Stream', 'View Course Calendar', and 'View Course Notifications'. Below these is a 'To Do' list with four items, each with a close button (X).

- Conferences** is the Canvas equivalent of “Zoom”. Here is where you will click to livestream class!
- Calendar** shows work for ALL of your classes.
- Dashboard** goes back to show all of your courses

What is the Canvas Student App?

- Allows students to access their courses and groups using a mobile device.
- Provides access to course calendars, To Do items, notifications, and Conversations messages.
- ***Note:** Not all Canvas features are supported on the app at this time!
- **Use your assigned Chromebook for most activity.** Including:
 - Live class sessions
 - Submitting assignments
 - Participating in discussions
 - Viewing announcements and course materials

Parent Powerschool Mobile App

- First, go to cmsbears.powerschool.com/public
 - Click on “Create Account”
 - Pick a username and password
 - Use the provided Confidential ID and Password (provided at Chromebook pickup) to add each of your students
- Second, open the Powerschool App
 - Enter District Code **FRPX**
- App allows you to:
 - Get real-time notifications of:
 - Grades
 - Attendance
 - Meal balance
 - Fees
 - View all your children in one parent account
- **Note that the grades in Powerschool are the most accurate reflection of your student’s progress.**

Online Learning Hacks

- Be proactive and communicate with your teacher
- Attend class
 - Login every morning to check that day's assignments
 - Be on time to all livestream classes so you aren't marked tardy or absent
- Participate
- Read and watch instructional videos
- Use the modules
- Check PowerSchool for official grades
