

I would like to start off by **Thanking** Cloudcroft Municipal School's Students, Parents and Staff ahead of time for their **Patience** in these uncertain times. We have been working diligently on our school re-entry plans. We want to be able to meet the needs of Cloudcroft's district and community. Please be looking for the re-entry plans for Cloudcroft Municipal Schools mid-July. We will have that information available on our website (cmsbears.org), Facebook, emails, robo-calls and through individual school parent meetings but, feel free to also contact the schools – (575)601-4416. We look forward to seeing our students in some shape or fashion at the start of the school year!

We do have some exciting news – Class of 2020 Salutatorian, Britney Hickman, has been recruited to play softball for Western New Mexico University in Silver City this fall. Way to go Britney!! (Britney Picture)

Also, Mr. Bill Denney, former Cloudcroft School Board President, received the 2020 Excellence in Student Achievement Award at the June School Board Meeting. Thank you, Mr. Denney, for your dedication and service to our Cloudcroft Students and Staff!! (Bill Denney Picture)

The NMAA will waive the Physical for the 2020-2021 season if parents do not feel comfortable getting their child a physical this year. The “NMAA 2020-2021 PREPARTICIPATION EXAMINATION WAIVER FORM” is available on the cmsbears.org website under athletics and will also be available at the High School, Middle School and administration office. Please contact our Athletic Director, Sheri Wimsatt, at sheri.wimsatt@cmsbears.org for additional questions or concerns.

Again, I want to Thank ALL of YOU for your patience. Our student's education and safety are our utmost concern. We did not want to print any information prematurely about the re-entry plans for our schools. Our main goals are to meet the needs of OUR Cloudcroft students and families!! Be looking mid-July for that information – until then, stay safe.

Go BEARS!!
