Activator - Thinking about your children, what is ONE positive word you have for the future?

confident

Independent

Question 1: Please state your reasonings as to not feeling welcome and provide us solutions.

Not so much as to not feeling Welcome, but I feel you should be more transparent with the programs you have to offer for struggling students.

not always knowing about events - have to search them or find them out

Question 2: What are questions or roadblocks you have in regard to participating / volunteering at CMS?

Question 3: If you could wave a magic wand, what would you want to see in our schools in the future?

More cte programs. Less emphasis on college preparation for the whole.

A Reading Program that's successful for all of your students since it's required to meet the schools expectations
